**It is a good thing we are good employees!!!**

## SECTORIAL TABLE

Two meetings took place in January and four more are planned. It is a face off; up until now the employer is not changing its positions.

The Government is checking right now how the Common Front members are reacting. If we do not react, the government will think that we agree with these offers.

**DO WE AGREE TO BECOME POORER OVER THE NEXT FIVE YEARS?**

**If your answer is NO, show your disagreement at the next Front Common activities.**

**NEGO, IT'S A GO... LET'S GET INVOLVED!**
